拆解

The image is a promotional graphic for a medical service. It features a teal diagonal banner across the center with the text '包皮作用及手術' (Circumcision and Surgery) in large, bold, yellow Chinese characters. In the top left corner, there is a close-up photograph of two hands clasped together. In the bottom right corner, there is a portrait of a smiling male doctor with short dark hair, wearing a white lab coat over a light blue shirt and a patterned tie. Below the banner, to the left of the doctor's portrait, is the text '養和醫院泌尿外科中心副主任' (Associate Director of the Urology Center of Yang He Hospital) and '泌尿外科專科醫生 陳偉希醫生' (Urology Specialist Doctor Chen Wei Xi) in white Chinese characters.
